IMPORTANT NOTE After joining, what to expect and do:

If you have given us your email address, you will be sent a Welcome email including our most recent Focal Points Newsletter. Our Newsletters will be sent from focalpoints@shropshireartsociety.org.uk.

Email providers categorise emails for you in a variety of ways and we have no control over this process. If, by two weeks after joining, you have received no emails from us, **please check your Spam folder for the period since joining, as well as any other category tabs/folders used by your email provider, eg. Junk, Promotions, Marketing**. When found there, please move our Welcome to your Primary Inbox, specifying (when the option is provided) that all other similar emails be placed in the Primary Inbox, and add us to your Contacts. **You need to 'teach' your email provider that our emails are important**. If, *after these actions*, you still believe you have received nothing from us, please email focalpoints@shropshireartsociety.org.uk. **Continue to check your Spam folder and other category tabs/folders regularly – don't miss out!** If you have not given us an email address, you will receive the last edition of Focal Points by post. *Please note, we prefer to communicate with you by email if at all possible.*

Our Focal Points Newsletter is usually sent six times a year, but you may also receive other mailings from us related to your membership and Society activities from time to time.
