

SHROPSHIRE ART SOCIETY SATURDAY WORKSHOPS 2024 - 2025 Booking Form

The Saturday Workshops will be held at Upton Magna Village Hall – this is located in the village opposite the Church. You can still take part via email if you prefer, and an option to do this is included below.

Saturday Workshops involve working together around a theme, largely self-helping each other, exploring the work of artists, and taking inspiration from them for your paintings. For each Workshop you will receive by email (the week before each date below) instructions and inspirations to help you make an artwork on the given theme. Please indicate on your Booking Form if you need to receive these instructions by post. **For those attending in person, each Saturday Workshop will begin with a presentation by Lynne to help inspire you on the day.**

You will create your artwork either at Upton Magna Village Hall on the Saturday from 10am to 4pm, with an hour for lunch - please bring a packed lunch with you, or if you prefer you can visit the Haughmond Cafe in the village. Or you can complete your work at home if you are taking part via email. You will be invited to send in an image of your completed work following each Workshop. We will share this work with the group, by email. This will allow us to enjoy everyone's response to the challenge.

Lynne Morgan and Mick Krupa will be our leaders and will be administering the Workshops. The list of artists has been chosen by last year's Saturday Workshop group together with Lynne and Mick.
